Saw this on Fightful today. Looks like Kelly kept a deposit or something and instead of offering a make good, chose to have her manager attack the guy.

Ajay-

This is Joey Mercury.

I'd like to sincerely apologize and say I'm sorry you misunderstood which side of the guardrails you should be on.

Vile? Hmm. Hadn't considered. Abrupt? Well, then.

You are in for a treat!

Actually i heard the deal was for an estimated 15-20 shows. Would mean \$1k+ plus per show. Also looks like they tried to renegotiate in July

@JOEYnRetrograde found this on fightful earlier. What is this related to? Who is SFA?

I don't know who you talk to or what you very well may have heard, but I may or may not be the motherfucker to fuck with, and there has GOT to be more than just a few ways to find out.

As soon as I see the contract that has the signature

Have talent sign contracts. Make deposits, not full payments. Ask SFA about their contracts. Ask- what happens when a talent is injured and can't make the show? I can show you an SFA contract that has that language within, but I won't.

Also, buy your flights earlier. It's cheaper. Also makes you look like you know what you're doing.

Or don't.

Maybe just buy a ticket and enjoy their shows.

you know who I know that has actually told me about topstarswrestling?

nobody.

at all.
